Yes, however we have several questions regarding your March 12th proposal (Task 3). I will call you to discuss.

Jonathan

Jonathan,

Gary Moore is looking for schedules and more importantly actions with respect to the Removal Action. Are you going to hire TRC to complete the Removal Action?

Stephen Halasz
Program Manager

This Email message contained an attachment named image001.jpg which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
